## *From the Desk of the Secretary....*

Distinguished Members,

Greetings from Kanchipuram.

I feel pleased to communicate with you all through this second Newsletter of TNOA. To start with, I proudly inform you that TNOA has won the “Best State Chapter Award” from OASIS for the third consecutive time. This awe credit goes to every one of you members who consistently performed well every year. Please accept my heartfelt congratulations.

Contrarily, the COVID pandemic was not a deterrent for us in our socio academic activities. We have successfully organized two important academic events of the association, i.e., 11th TNOA Prof TKS Midyear CME 2021 at Coutrallam on 01st August and 54th Annual Conference TNOACON 2021 at Salem between 23rd and 25th of September in a Hybrid Mode. Graciously, Dr. B Shivashankar, President of IOA, inaugurated both events. I sincerely thank your incredible support and active participation in these events.

We also observed the Bone & Joint Day 2021 with the dynamic and energetic participation of all our city /district chapters in the state. We trained BLS for more than 20,000 children through online teaching modules. In addition, we organized BMD Camps, Cycle Rallies, Human Chain, and various unique programs based on the BJD theme – “Save SELF Save ONE.” The TNOA Medico-Legal webinar and Research Methodology CME Programs were also the hallmark events of TNOA.

At this juncture, I kindly request you to contribute efficiently to the forthcoming TNOA Bone Health Awareness Fortnight 2021 and make this a great success.

Would you all please visit our Website, Mobile App, and Twitter Page for regular updates and communications?

Looking forward

Warm Regards,

**Dr PT Saravanan**

Secretary, TNOA.

## TNOA Medicolegal Webinar 2021

The maxim 'ignorantia juris non-excusat,' or 'ignorance of the law is no excuse,' implies that the Court presumes that every party is aware of the law and hence cannot claim ignorance of the law as a defense to escape liability.

Greater responsibility also lies in the Tamilnadu Orthopaedic Association to shoulder its member's awareness and knowledge about medico-legal issues on Orthopaedic Surgery. An awe initiative of TNOA organized "Medico-legal webinar 2021" on 12th September 2021 at 7:30 pm Indian time. We had the incredible privilege and honor to host the legends in the medico-legal aspects. Our chief guest was Dr. Navin Thakkar, Honorable secretary of the Indian Orthopaedic Association (IOA). His enlightening words of wisdom and the need for legal awareness marked the best start of the event. Then, Dr. PT Saravanan, Honorable Secretary of the TNOA, introduced the webinar and reiterated the pressing issues in the medico-legal problems in Orthopaedic surgery.

Dr. J Terrence Jose Jerome, the convener of the webinar, welcomed the gathering and introduced the eminent speakers to the forum. First, Dr. Narasimha Rao spoke on consent in polytrauma and discussed, in brief, the consensus of uniform informed consent. Next, Dr. NJ Karne, Chairman Legal Committee IOA, and the special invitee spoke on the nonunion / malunion - standard, substandard implants in orthopedic surgery and its legal aspects. Finally, Dr. Geetendra Sharma, senior medico-legal consultant and a gold medalist in the law, narrated and analyzed the vital elements of consent, current trends in lawsuits, and procedures to have a safe and healthy Orthopaedic surgical practice.

An excellent discussion followed the talk, which increased the dimension and understanding of consent, argued the controversies, and exchanged ignorance. Finally, the rich theme "Legal implications in Orthopaedic Surgery," the webinar ended with productive and clarity of thoughts.

Discussion eschewed the participants from erring situations, winnowed difference of opinion from medical negligence, and threw a ray of hope and positivity.

## Important Announcement Regarding Future Online TNOA Elections

Dear Member,

Greetings from TNOA.

The technology is growing and if we don't adapt to it, we will be left behind. TNOA has always been in the forefront for taking up any of the challenges and come out successfully.

In 2020 GBM, we have decided that 2023 TNOA election is going to be fully online paperless voting. In 2021 AGBM, we have decided to conduct a trial online election this year and if possible, to go for online only election from 2022. In this regard we are going to have a mock election during this time to test the system. We know and believe that this system is almost foolproof and not possible to tamper.

The trial link for voting will be sent to all the office bearers, EC members and Office bearers of all the zonal clubs of our state. Those tech savvy members who want to participate in the trial elections are most welcome to try and test it, for finding out any shortcomings. They have to send a request to TNOA President Dr Antony Vimal Raj, through email ([drmavimalraj@gmail.com](mailto:drmavimalraj@gmail.com)) or WhatsApp for getting the link to vote.

The eligible voters for TNOA Online election 2022 will be only those whose mobile numbers and email ids that have been verified and published in our TNOA website. We request all to update your mobile numbers and email ids with our secretary @ [secretarytnoa@gmail.com](mailto:secretarytnoa@gmail.com). Up to August 2022 the members can update their details and if there is any discrepancy, they can contact the EC member or principal office bearers.

Any clarifications regarding the online elections, the vendor, the process or apprehensions will be discussed in the 2022 annual GBM at Trichy.

We request all the members to participate in this process actively and make the online election a huge success.
